

<b>WEATHER WARNING</b>	Ref N°: EW/Met 19/10/2021/007
------------------------	-------------------------------

Kigali, 19<sup>th</sup> October 2021

	<b>Moderate to Heavy Rains</b>	<b>Valid between Tuesday 19<sup>th</sup> October 2021 and Thursday 21<sup>st</sup> October 2021</b>
<p>The analysis conducted by Meteo Rwanda indicates that scattered moderate to heavy rainfall will be experienced over several parts of the country from today Tuesday evening up to Thursday (19<sup>th</sup> – 21<sup>st</sup> October 2021). The rainfall expected will be ranging between 20 and 40 mm per day during the forecast period over Western, Northern provinces and South western parts of the country.</p>		

## Likelihood

Medium	Be prepared: Severe weather is likely
Low	Be aware: Severe weather is possible
None	No severe weather expected

## Expected Impacts

- Widespread flooding on major rivers and catchments, damage to infrastructure, landslides, loss of agriculture plantation.
- Poor visibility that may lead to incidence of accidents
- Possible loss of property.

## Advisory

Due to expected rains in two coming days, contingency measures should be put in place to avoid likelihoods of negative impacts associated with increased rainfall especially in disaster prone areas.
